NEW DIRECTOR OASIS About the program

Leading a life-affirming ministry can be an exciting endeavor, impacting many lives both now and in eternity. Most step into this leadership role with little more than a sense of calling, a heart to serve, and a willingness to go where the Lord leads. Even extensive experience in an unrelated field can provide little in understanding the special needs and nuances of leading a non-profit, life-affirming ministry.

The New Director Oasis is designed specifically for new directors with fewer than three years' experience in directing a life-affirming

pregnancy center, medical clinic, maternity home, or non-profit adoption agency. The Oasis provides a learning atmosphere in a professional

setting and includes presentations, panels of experts, questions and answers, and open discussions.

Each year, Heartbeat assembles seasoned ministry mentors to serve as presenters and consultants during this intense learning experience. Drawing on these years of wisdom and experience can help any new director, new or seasoned, successfully navigate ministry leadership, avoid pitfalls, and gain the insight necessary to increase effectiveness as a leader of a ministry.
