Carrie, author of Heartbeat International's Sexual Integrity Program will inspire you with the biblical foundation you need to utilize the materials designed for The Sexual Integrity Program. You will know the "why" behind the methods. Your understanding of the biblical theology, supported by social and physical sciences and cultural history will equip you to better use the material. In fact, this training will inspire you to use the program with all of your clients, and will encourage you in your own relationships. You will not want to miss this unique opportunity to have Carrie train you and your volunteers, staff, board and even area pastors in person! Your vision for your center and your community will never be the same.

## Finding Peace Training

Are your clients looking for happiness in all the wrong places? One of the biggest challenges that center counselors face is helping clients understand their true worth and dignity. Without a healthy sense of who they are as human beings, our clients lack a roadmap to authentic meaning and purpose in their lives. And without a proper roadmap, the search for happiness becomes an unquenchable search for gaining identity through possessions, esteem, ego, career, sexual relationships, or other placebos. Join Camille De Blasi, Founder and President of Healing the Culture, and popular pro-life speaker, as she explores the four levels of happiness, changing negative habits, the dignity of the person, God's plan for sexuality, human freedom, and the meaning of suffering. This one-day training will show you how to successfully facilitate the accompanying video/workbook learning system, *Finding Peace: A Guide to Happiness, Freedom and Wholeness*, the third video series in The Sexual Integrity Program, and liberate your clients to pursue fuller, richer, healthier lives.

*These videos are setting my clients free to experience wholeness like they never thought possible. – Center counselor*

*Camille is awesome! This training really affected me. – Center client*

*Healing the Culture's "Finding Peace" program has the potential to move even the most wounded hearts to conversion. Every pregnancy care center should have this valuable resource. – U.S. Senator Rick Santorum*

\*Each center will be required to have the Implementation Training if they are interested in the Blueprint Foundation Training with Carrie Abbott or the Finding Peace training with Camille De Blasi. These trainings must be scheduled together with the Implementation Training as a two-day training.
