

Cultivating a Culture of Adoption

Brand: Heartbeat Academy
Product Code: 135

Price: \$9.95

Short Description

This 1.5 hour recorded webinar empowers your staff and volunteers with information needed to understand and discuss adoption effectively.

Description

This session is designed to empower and equip pregnancy clinics with a modern and ethical adoption education. Not only will we discuss definitions, what to say, what not to say, but we will look at how your organization can cultivate a culture of adoption that permeates your organization and impacts your community.

If you want your volunteers and staff to feel confident and equipped in presenting adoption to an abortion determined woman or a woman in crisis, this session is for you!

Presented by Mallory Fogas and Leah Outten of Arrow + Root
