

**Every woman deserves love and support during an unexpected pregnancy.
No woman should feel alone, coerced, or so hopeless that she ends her child's life through abortion.**

Women desperately need emotional support and practical resources during an unexpected pregnancy.

- * Pregnancy help centers provide this compassionate support and real choice.
- * Pregnancy help centers offer free services, unlike highly profitable abortion businesses.
- * The life of a mother and her baby are worth more than an abortion facility's bottom line.
- * Pregnancy help centers set the standard for true compassion and support for women.

Pregnancy help centers are good for expectant mothers, their babies, and their families. Pregnancy help centers are good for America.

Every woman should have all the information that she needs to protect her child during an unexpected pregnancy.

- * Pregnancy help centers provide the facts about a baby's development and about the many serious physical and psychological dangers of abortion.
- * Pregnancy help centers offer free services, unlike highly profitable abortion businesses.
- * The life of a mother and her baby are worth more than an abortion facility's bottom line.
- * Pregnancy help centers set the standard for true compassion and support for women.

If asked, "Why provide alternatives to something that is legal?"

Every innocent life deserves to be protected. There is a difference between legal and moral. There is a difference between legal and right.

Women deserve to know the whole truth.

- * Abstinence is the only 100 percent effective way to avoid pregnancy and sexually transmitted diseases.
- * The main objective of pregnancy help centers is to provide a woman with the emotional help and practical resources needed to welcome a new life and for her own well-being.
- * Abortion facilities often leave out the truth, putting abortion profits above what's really best for women and their babies.
- * The life of a mother and her baby are worth more than an abortion facility's bottom line.
- * Pregnancy help centers set the standard for true compassion and support for women.

Pregnancy help centers are good for protecting maternal health and promoting child well being. Pregnancy help centers are good for America.
