Recorded webinar by Rev. Arnold Culbreath

Description

With abortion being the #1 killer of Black Americans, there remains an urgent need to reach the Black Church with a life-affirming message. If your Pregnancy Center could use some assistance building relationships with churches, especially black churches, then this is the webinar for you! Attendees will receive practical and proven strategies to effectively connect with and equip the churches in their cities...for Life!

Presented by Rev. Arnold Culbreath, Director of Ministry Engagement at the Douglass Leadership Institute
