## **Short Description**

1 hour recorded webinar presented by Tammy Daughtry, Founder of CoParenting International

## **Description**

In this recorded webinar, you will learn how to empower clients to reveal the pregnancy to their parents and support the unplanned grandparents by casting a vision of hope in the decision to choose life. We will also explore creative ways to invite grandparents into the support system to walk alongside a client and the client's partner, as well as inviting the client's partner's parents to the process.
