

How to Register and Use the Maternity Home Locator Tool

Brand: Heartbeat Academy
Product Code: 820

Price: \$0.00

Short Description

Presented by Valerie Harkins, Housing Specialist

Description

This webinar shows advocates in maternity homes and pregnancy centers how to 1) navigate the housing locator tool and 2) register their home on the locator. This is a handy resource for those who would like their maternity home to be found through the locator and for advocates working directly with clients.
