

It's Built. Why Aren't They Coming?

Brand: Heartbeat Academy
Product Code: 851

Price: \$14.95

Short Description

Presented by Greg Mayo and Amanda Hoff, Support After Abortion

Description

Discover abortion healing program best practices through case studies of diverse agencies from across the country that have been shown to successfully draw in, engage, and transform participants. With only 18% of people aware of where to go for help after abortions, learn how to expand awareness and your reach by building partnerships with community and social service agencies that serve intersecting and marginalized populations.
