

Unity Requires Healthy Culture

Brand: Heartbeat Academy
Product Code: 911

Price: \$14.95

Short Description

Presented by Carolyn Doyle, Life Matters Worldwide

Description

The goal of this workshop is to inspire leaders to intentionally build healthy cultures, focused on unity and Kingdom. There are two ways organizational culture is built: either with great consideration and conscious intent; or, by contrast, to let the culture come together with little thought or intention. The results are vastly different.
