Price: \$9.95

Short Description

This recorded webinar is an online resource that will give you access to the 1.5 hour panel discussion.

Description

Is your center ready to grow and looking for a way to expand? Has your center daydreamed about or perhaps even begun planning for a housing program?

Join us in this interactive webinar to learn from leaders who have already walked that road ahead of you! What is similar when building a housing program? What is different? What advice would they give?

Many centers are recognizing the potential value of a housing program and this is your chance to investigate further by hearing from the experts and asking them your questions!
