Description

The goal of the workshop "Change the Nation with Pro-life Education" is to inspire and empower pro-life organizations with our 4S model of heart changing, life saving pro-life education to go into their schools, churches and communities to educate youth and "change the heart of the nation by showing the heart of the child." Our model uses Scripture, Science (with live ultrasound education), Stories and Service (all schools do diaper/baby item of fill the bottle drive with funds that directory benefits the PHO or maternity home that is presenting) and we also offer a public school model.
