Short Description

The world of ministry is a tough and often long journey that seems to be getting more expansive and complicated than ever. There are new battles to fight every day. There never seems to be "ENOUGH"--resources, people, money, talent....dot..dot..dot. PLUS--there is ALWAYS someone who seems to be doing it better or is running ahead.

This message will:

1. Provide 4 points that remind leaders that what God has given them is enough for what He has called them to do.
2. Prove that leaders need not strive, worry or compare to embrace the sweet words "WELL DONE GOOD AND FAITHFUL SERVANT"!
