

The Critical Need for Comprehensive Abortion Pill Reversal Outcome Support

Brand: Heartbeat Academy
Product Code: 1100

Price: \$14.95

Short Description

Acute support and biblical resources are vital for a woman's longevity of care during and after an APR protocol, regardless of the pregnancy outcome. This workshop summarizes a three-segment approach of a thorough abortion pill reversal program that offers compassionate care for your medical staff and volunteers, solid logistics of all services, and a robust timeline of support for your APR patient.
