

The Optimal Health Model for Pregnancy Help Clients

Brand: Heartbeat Academy
Product Code: 1124

Price: \$14.95

Short Description

The Optimal Health Model was published in 2009 and measures success by helping those at greater risk move towards lower risk with regards to physical, intellectual, emotional, social and spiritual health. This practical session presents strategies for better serving female and male pregnancy help clients by helping them move away from high-risk behaviors.

Presented by Lori Kuykendall

This training offers 1.0 contact hours for nurses who meet all requirements. Heartbeat International is an approved provider through the California Board of Nursing, Provider Number 16061.
