

Tools to Preventing Staff Burnout

Brand: Heartbeat Academy
Product Code: 1145

Price: \$14.95

Short Description

How to inspire and lead others in a way that transforms their work into something deeper—a true calling and a sense of belonging, rather than just a job. How to create a workplace that ignites passion and purpose in your team, while encouraging you to give your all to bring out the best in those around you.

Presented by Linda Francisco

Description

How to inspire and lead others in a way that transforms their work into something deeper—a true calling and a sense of belonging, rather than just a job. How to create a workplace that ignites passion and purpose in your team, while encouraging you to give your all to bring out the best in those around you.
