

Power of Having Your Nurses Texting

Brand: Heartbeat Academy
Product Code: 1102

Price: \$14.95

Short Description

This training aims to educate PRC staff and leadership on the profound impact of having Registered Nurses (RNs) operate the chat line. It will highlight the advantages of utilizing trained medical professionals to communicate with clients, the trust and credibility it brings, and how it directly supports life-affirming decisions.

Presented by Brittany Gilchrist and Rachel Owen
