Description

Join Caroline Aragón, MS, CGC, for a practical webinar exploring the essentials of genetic counseling and prenatal screening. You'll gain a clear understanding of non-invasive prenatal testing (NIPT), how it works, what the results mean, and the clinical and emotional challenges families may encounter. This session will offer valuable insights for anyone supporting parents through a prenatal diagnosis.

This training offers 1.0 contact hours for nurses who meet all requirements. Heartbeat International is an approved provider through the California Board of Nursing, Provider Number 16061.
