

Future of Social Work through Virtual-Care

Brand: Heartbeat Academy

Product Code: 1441

Price: \$14.95

Short Description

Dive deep into the transformative potential of having social worker or a trained case worker via telecare. This workshop seeks to equip participants with the understanding and tools to build a program that can effectively address the pressing circumstances many women face when considering abortion, while providing services both virtually and in-person.

Presented by Becky Gallagher and Annie Adamson
