

How to Present Adoption to the Biological Fathers

Brand: Heartbeat Academy
Product Code: 1319

Price: \$14.95

Short Description

One of the biggest hesitations that clients have about adoption is whether or not the child's biological father will agree to make an adoption plan with them. We will equip you to talk about adoption to fathers so that they have an opportunity to take part in this life-changing decision.

Presented by Carrie Murray Nellis
