

Data-Driven Decisions to Reach Your Mission

Brand: Heartbeat Academy
Product Code: 1452

Price: \$14.95

Short Description

Learn how to use your client intake data—including “How did you hear about us?” responses and client intent statuses—to measure the effectiveness of your community marketing efforts. This workshop will help you align your outreach strategies with your mission by identifying which activities are truly reaching abortion-minded and abortion-vulnerable clients.

Presented by Jacob Barr
