

4 Tools for Critical Incident Stress Management

Brand:
Product Code: 1545

Price: \$9.95

Short Description

1 hour recorded webinar presented by Tammy De Armas

Description

Do you desire to provide excellent care that includes exploring matters of faith, heart values and even biblical promises where appropriate? As a leader of a pregnancy center you are a crisis intervention specialist who can do this. Attend this webinar and learn 4 lessons that will help you and your team identify as specialists within the field of crisis intervention.
