

The Power of Media to Capture Client Stories

Brand: Heartbeat Academy
Product Code: HBA469

Price: \$14.95

Short Description

Recorded webinar available on demand through Heartbeat Academy

Description

Photography and media can be used for clients as well as staff to give a clear picture of your Pregnancy Help Organization and tell stories that inspire. Join us for valuable tips and tricks on everything from using a cellphone camera to professional lighting that will help you capture and tell client stories that inspire the community you serve as well as your supporters. - Presented by Laurie Hughes
