

Determining Needs and Goals of your Residents

Brand: Heartbeat Academy
Product Code: 116

Price: \$14.95

Short Description

In this training, we will discuss using standards and outcomes based measurements to determine needs and goals for your residents. The results should then guide your staff to design the learning environment of the home so that the residents are set up for success!

Presented by Vicki Krnac, M.Ed., CALT, QI, Executive Director of Hannah's House.
