

Identifying Fake Clients

Brand: Heartbeat Academy
Product Code: 14

Price: \$15.95

Short Description

In this webinar, Heartbeat International's Director of Option Line, Nafisa Kennedy, will discuss ways to recognize potentially fake clients as well as what you can do to guard your center from these attacks.

Description

Posing as a fake client has become a common tactic of pro-choice groups and journalists who seek to denigrate the reputation of pregnancy help centers. Do you know how to identify a fake client? How would you handle a fake client if you had one?

In this webinar, Heartbeat International's Director of Option Line, Nafisa Kennedy, will

discuss ways to recognize potentially fake clients as well as what you can do to guard your center from these attacks.
