

Fetal Development

Brand: Heartbeat Academy
Product Code: 103

Price: \$15.95

Short Description

One hour, online training from Heartbeat Academy.

Description

This course offers students a basic overview of fetal development through the first 26 weeks. It was designed to help volunteers and staff members feel confident in discussing fetal development with clients confidently, accurately, and relationally. This training compliments the "Fetal Development" section of The LOVE Approach Training Manual.
