

Built by Design International

Brand: Heartbeat Academy
Product Code: 423

Price: \$49.00

Short Description

Built by Design is your online guide to starting a pregnancy help organization from scratch, Built By Design will walk you through the foundational elements of starting a nonprofit life-saving entity, covering everything from founding and framing your organization, to fundraising, leadership, and more! With interactive activities and helpful to-do's this four-part online course will guide you through the building process, one step at a time.

Originally written for centers in the US, this version of Built by Design includes an introduction for our International Partners & NGO's to help you apply the information contained in this training to your organization.
